Hello Idaho Jobies!

We are excited to announce the dates for the Miss Idaho, Jr. Miss Idaho, and Mr. Job's Daughter preliminary tests. In order to be eligible for the Miss pageant, a daughter must be at least sixteen (16) and not yet twenty (20) on June 19th. For the Junior Miss pageant, a daughter must be under the age of sixteen (16) by the same date.

These tests can be taken by girls and adults, even if the daughter does not wish to be in the pageant. It is always fun to test your knowledge of the order! The Miss and Jr. Miss tests will cover the ritual and music ritual of Job's Daughters. The daughters with the top eight (8) scores from the Miss test and the top five (5) scores from the Junior Miss test will be contacted and invited to participate in the pageant.

The Mr. Job's Daughter tests will also cover the ritual and music ritual of Job's Daughters. The top six (6) contestants will be selected based on test score and money raised leading up to the testing day. These six (6) contestants will be invited to participate in the on-stage portion of the pageant. Mr. Job's Daughters contestants will not have to participate in an interview, ritual recitation, or a second test.

The prices for the Miss and Jr. Miss tests are:

\$20 per Bethel for one (1) daughter or adult taking the test

\$35 per Bethel for two (2) to five (5) daughters or adults taking the test

\$50 per Bethel for six (6) or more daughters or adults taking the test

These proceeds help fund the annual pageant and are due to Grand Bethel the week prior to the testing date which your bethel plans to attend.

We look forward to seeing you all this Grand Session, please contact Victoriah if you have any questions.
