<b>Curfew:</b>	All Daughters <b>MUST</b> be out of the halls and quiet by <b>10:00 pm</b> . We request that the adults respect this time as well. <b>Free Time:</b>	All activities must be chaperoned per CAV rules. In general, there may be extra CAVs in attendance at all scheduled activities. Bethel Guardian Council, please coordinate the Daughters time but allow as much freedom possible to attend social activities. If your Bethel is especially limited on adult CAV (i.e., whom may be tied up in GGC), please allow the Grand Session Arrangement Committee to help you/Daughters.
<b>Honored Queens:</b>	Be prepared to vouch for all your Bethel members present at the Grand Bethel meetings. <b>YOU</b> are responsible for their attendance at all meetings. ## COVID Precautions and Conference Behavior Notice

The purpose of this notice is to inform the Bethel Guardian of the hotel Youth Conference Behavior Agreement and COVID precautions noted in JDI Forward (latest version available on the Supreme website <https://jobsdaughtersinternational.org/4440-2>).

**BETHEL GUARDIANS:** Please review and present the behavior agreement and COVID precautions with the Daughters of the Bethel prior to attending Grand Session (and their parents) as you think best. The Grand Session Arrangement Committee is working hard to ensure our Grand Session experience is truly Grand and we ask for the help of Bethel Guardians and attending council member to implement the stated agreement and guidelines. Thank you.

### YOUTH CONFERENCE BEHAVIOR AGREEMENT

Thank you for choosing the Burley Inn Convention Center, Burley! To ensure the safety and comfort of all the guests that are staying at our hotel during your conference, we have created the following policies and procedures. As the contract signer and ultimately the one responsible for the safety and welfare of the conference attendees, we hope you will find these rules helpful. A copy will be provided during check-in to all attendees.

The group must submit a list of all chaperones names and cell phone numbers along with a list of the room(s) they are supervising.

The hotel has a strict 10:00 PM curfew for those attending the conference. All attendees must exit the public spaces (including but not limited to the pool, hot tub, and gathering areas) at 10:00 PM and quietly make their way to their assigned guest rooms. In the event a conference function/activity is taking place past the curfew extra caution should be used when returning to the guest rooms.

Running, shouting, horseplay, and roughhousing are never acceptable behavior while on the hotel property. This includes but is not limited to the hallways, lobby areas, stairwells, and hotel rooms.

Noise complaints are taken very seriously and will be addressed as such. Due to the nature of being a hotel the noise level must be always kept down to accommodate other guests. Regardless of the number of rooms reserved by the conference all hotel guests have a right to a peaceful rest at any time, day, or night. If a noise complaint comes from a room that is assigned to a conference attendee, the following actions will take place in the order laid out.

1. A member of the hotel staff and/or hotel security will physically visit the room and request the attendees to quiet down. The hotel will also contact the chaperone assigned to the room. This will be their only warning from the hotel and the room(s) will be monitored closely for the remaining of the stay.
2. Should noise continue and the hotel has received another complaint a fee of \$150 will be added to the room and will be the responsibility of the person(s) registered to the room, the group and/or the contract signer.

Room assignments are for the safety and security of the hotel guests. Therefore, it is vital that the attendees do not change rooms at any point during their stay. If a change needs to be made, a chaperone may visit the desk and arrange for the change.

Educate all attendees about the serious dangers and inconvenience that can be caused from an intentional false fire alarm. Fire alarms are for true emergencies only. Any false alarm will be investigated by the fire department and the cost of responding to an intentional false alarm will be passed on to the person(s) responsible for the false alarm.

There is a dress code for all public space in the hotel and the restaurant. The requirement is to wear a shirt, pants, and shoes. Please make sure that your team members comply with the dress code.

Room keys will only be re-issued with an official form of identification and assigned to the room.

Elevators are to be used properly and in accordance with the standard operating procedures. Overloading, jumping and horseplay in elevators is not only dangerous but creates a serious inconvenience for all guests because it interferes with the efficient operation of the elevators.

Pool towels are available poolside. Accordingly, please inform your attendees to not remove towels from the rooms for use at the pool.

Pool safety rules and regulations are posted at the pool. Children under the age of 15 must be always accompanied by an adult.

By your signature below, you are acknowledging that you have read the guidelines set out above and you agree to review them with all attendees.
